Re: STATE v. Hendricks, case No. 2014000205.

February 3, 2015

Dear Sir or Madam,

I hope that this letter finds you and yours well and in good spirits. On December 30, 2014, I sent the Court and the State's attorney a copy/motion to Order Expansion of Record on Appeal. I asked that the Expansion for the Anders Brief be stayed until the Office of Indigent Defense complied with your order. As of this writing I have received no ~~exp~~ objection from the State nor a copy of the Order to Indigent Defense.

Could you please check your records and alert me to the status of my motion? As I stated in the motion to accurately review my trial, the Court would need a full record.

I do not have the resources to fulfill  
that requirement of Anders, so the Order  
would be in the interest of due process.

I appreciate your time and assistance  
and look forward to your reply.

Sincerely,  
  
Larry Hendricks
