Subject: Conflict of Interest

Hon. Chief Clerk

After receiving notice from Per counsel, that notice of appeal from denial of Per in Richland County #13-CP-32-7117 was filed in this case. However, since I have argued ineffective assistance of appellate counsel, it would constitute as a conflict of interest for this office to handle my appeal and ask court allow someone else to do so. There is no way for appellate defense to do so without, calling into question its own office actions or one of its former or current staff members.

With kind Regards,
Darrell Williams
