

DEAN Clerk of Court - Jenny Kitching's Feb 6 2015

I received the copy of your late's letter to Mr Robert Michael Dudak Esquire to my case: No 2014-000333

Back in March 2014 when the supreme court handed

down my case to the Appeals Court I sent your Court a Brown Class Envelope with the case number

worded in the General session's Court My Indictment No: 97G5-38-1138 it had all my evidence in it. I

sent this Attorney with no reply to find out if he got it at that time I had done a Brief under

Rules 204(A) and 247(b) and that was before I knew I even had an attorney I don't want my

case "dismissed" I don't understand why this attorney has not responded to my letter he

has not ask me anything about this case. I tried to call him my call was not answered my

"brother" try to call let a message on the recording with no reply. This case is on Actual Innocence

on DNA being concealed from the court since "1998" when took by court order testing my DNA

for any and all sexually transmitted disease I have Hep-C the state and the court violated

my due process by not producing the DNA written reports and laboratory reports SC code of

Law 17-28-100(A) the evidence is exculpatory I have had Hep-C since the 80's I don't know what

he has done or has he responded to me about my case make you can help with that
