Re: Gertrude Shiver v. Palmetto Health Richland  
Appellate Case No. 2013-000887

Dear Ms. Shiver:

This office is in receipt of your letter and amended designation of matter dated January 29, 2015. It is unclear what you want the Court to do with this information. If you would like the Court to accept the amended designation of matter, you need to file a motion under Rule 240, SCACR. We will not charge a motion fee because our records indicate you paid a fee with the January 29, 2015, letter. If you want to correct the Record on Appeal that you have already served and filed by inserting or deleting pages, you must file a motion with the Court requesting permission to do so. All filings with the Court must also show proof of service on opposing counsel.

Very truly yours,

*V. Claire Allen, Deputy*
