Re: Lake Marion v. Robert Davis (Fant)  
Appellate Case No. 2015-000265

Dear Ms. Fant:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected within ten (10) days of the date of this letter or this appeal will be dismissed:

- The required filing fee has not been submitted. The correct filing fee is \$100.00.
- The documents have not been signed as required by Rule 267(b), SCACR.
- The service date as shown on the proof of service is outside of the filing deadline set by Rule 203, SCACR. You must file an amended proof of service showing the correct service date of the notice of appeal.
- You must file an amended notice of appeal removing your argument. This is not the appropriate time to provide this information to the Court. Your accompanying documents are being returned to you. Please review the South Carolina Appellate Court Rules for guidance.

Very truly yours,
