

# The South Carolina Court of Appeals

The State, Respondent,

v.

James Little, Appellant.

Appellate Case No. 2014-002439

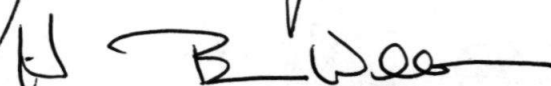

---

## ORDER

---

This appeal was dismissed on December 22, 2014. Appellant has now filed a letter explaining the basis for his appeal, which this Court construes as a petition for rehearing from the dismissal of this appeal. After careful consideration, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
