Re: Robert Lee Foster v. The State
Appellate Case No. 2015-000289

Dear Mr. Foster:

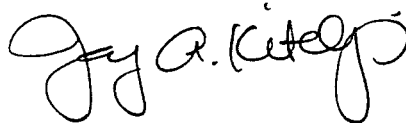

Upon reviewing your correspondence, which the Court construes as a notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected within ten (10) days of the date of this letter or the appeal will be dismissed:

- The notice of appeal is not accompanied by the order(s) and/or judgment(s) challenged on appeal.
- Since the circuit court determined that habeas corpus relief was improper in the circuit court because the issues could have been raised in a timely application under the Post-Conviction Relief Act, Rule 203(d)(1)(B)(vi), SCACR, requires a written explanation as to why this determination was improper. This explanation must contain sufficient facts, argument and citation to legal authority to show that there is an arguable basis for asserting that the determination by the circuit court was improper.
- A proof of service has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II

of the SCACR, including the names and addresses of counsel representing all parties in this appeal.

- You must serve and file an amended notice of appeal that is substantially in the format provided in appendix C of the South Carolina Appellate Court Rules, including proof of service of the amended notice.

Very truly yours,
