RE: Abebe v. State Appellate no: 2014-001349

Dear Ms. McKay

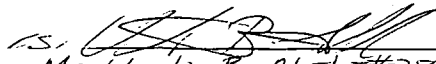

I am in receipt of your letter dated Feb 3, 2015 along with my 4 pg. plus cover sheet petition for writ of cert. You returned my petition without the appendix's because ~~as~~ you want me to sign it so you can file it.

This is to notify you again that I left the petition unsigned intentionally. I will endorse all 15 copies once I get them from you. I will also be the person filing the petition. \*THANK YOU.

\* I am enclosing the petition, cover sheet and proof of service unsigned so that you can make 15 copies of them along with the appendix's that is still in your possession. You need to make the copies and have them <sup>and the original's</sup> in your possession by Feb 13 2015 ~~at~~ like I told you the first time. You need to follow instructions! before you end up in some trouble that you cannot get out of. Regardless of what any one says, NO ONE'S filing the petition but me!
