

Mr. Unula B. Abebe # 285447 Petitioner

vs.

State of South Carolina Respondent

Motion for Extension of Time

The Petitioner moves this court for an extension in the time to file his Petition for writ of certiorari, for the following reasons:

1. The Court issued an order dated Oct 9 2014 stating that the Petitioner must utilize the S.C. Commission of Indigent Defense to make the appropriate number of copies of the Petition ect before filing.
2. The time period to file said Petition starts from the day Petitioner receives the transcript and the transcript was received on Jan 20th 2015
3. The S.C. Commission of Indigent Defense postponed copying the Petition because they, contrary to the Oct 9, 2014 order wants to file the petition too, whenever they get around to doing so and won't send me a copy until after they've filed it.
4. This delay will effect my ability to file the Petition on time and a additional 30 days is needed to ensure that the Petition is in order ect before filing
5. Petitioner will be the one filing the Petition and will not allow anyone else* to do so, regardless of a Supreme Court order directing Petitioner to allow its filing by the S.C.C.I.D because Petitioner is Pro Se and will maintain that status and its responsibilities which includes filing the Petition.

I Unula B. Abebe state under the penalty of perjury that the above is true to the best of my knowledge, wisdom and understanding
