Re: The State v. Tracy Stubblefield (AAAA Bail Bonding)
Appellate Case No. 2015-000051

Dear Counsel:

Upon reviewing your correspondence received February 18, 2015, the following deficiency has been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected within ten (10) days of the date of this letter or the appeal will be dismissed:

- The transcript has not been timely ordered, pursuant to Rule 203 of the South Carolina Appellate Court Rules. A motion to allow the late ordering of the transcript will have to be made.
- The Court will not take any further action on your previously filed motion for an extension of time to serve and file the appellant's initial brief and designation of matter. The transcript must be ordered and received by counsel with notice to the Court of the date of receipt. We will calculate the due date of the appellant's initial brief and designation of matter 30 days from receipt of the transcript. Please see Rules 207 and 208, SCACR, for guidance.

Very truly yours,

V. Claire Allen, Deputy
