Issues

Now Cometh the (Sovereign) to this
Courts in regards of appealing this cases

- ① The Government is not entitled once I can prove for an illegal act of them as (keeping 2 man cells on smu lockup that been outlawed since the Nelson Decree).
- ② SCDC know they can't handle securing people in ② man cells why operate them putting my life in danger and knowing you don't know how to secure both prisoners at the same time.
- ③ The judges ruling on Summary Judgment was Bogus (he/she) did not look at the points I made in my Summary Judgment motion, SCDC mental health case was pending during this time which outlawed ② man cells SCDC suppose to not operated on lockup's since the 80's there negligence and failure to follow the judges rulings caused my life to be nearly taken and for me to be stabbed up. ④ Medical records weren't considered by the Courts and No Appeal rights were given or even mentioned by Circuit Courts which I'm lawfully entitled therefore the judges violated my appeal rights didn't acknowledge them I should be granted this appeal. ⑤ I had a level 2 denied because of defendant's persuasive ways of using Masonry of a secret society. ⑥ SCDC failed to protect my safety 1-11-13
