

Mr. Sherouse,

2-25-15

Sir, I'm Chad Everett Williams, #303225. I'm presenting before you this day a letter of concern about a Pro SE petition. The response to the 45 days from the Johnson petition filed by Robert Puchak was to inform the Hon. Court that I wanted, needed an EStay Motion so a 59LES Motion ^{can} ~~be~~ be done ~~on~~ on my behalf. For my Issues are not properly ruled upon as to the Finding Facts and Conclusions of Law. My ~~Issues~~ ^{ISSUES} at hand as is. are not preserved - therefore my case ~~was~~ unconstitutionally presented before you. All I was asking for is that my case. 2014-000804 - Lower Court case # 2011-CP-02-00729. be remitted back to the Lower Court for a ruling - having the record corrected, for Appellant Review.

There upon, I contend that both PCR and Appellant Counsel are in violation of S.C. Const. Art. 1 Sect. 3, 14 - U.S. Const. 6/14 Amend. By the above and following reasons: 1). Failure to ~~conduct~~ ^{conduct} a 59LES Motion to Alter or Amend. 2). Failing to file a 59LES or a Stay Motion. "My question of concern is this: "Since my Writ of Cert. has been denied, I'm now without Counsel do I have legal jurisdiction to file for PCR. in the Lower Court?"? Or do I go to the States Federal Habeas Corpus?"? If so Can you tell me how much Time do I have ~~for me~~ ^{me} to file a Federal Hab.?"?

Thank you, for your time, reading my letter, and answering my question for clarity from any mis understandings that I may have had.
