Re: The State v. Antonio Gordon
Appellate Case No. 2013-000975

Dear Counsel:

The Court is in receipt of copies of various transcripts, received February 5, 2015. We are returning these documents to you as there was no cover letter explaining the purpose of the documents.

Upon reviewing your Record on Appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected in the form of a Supplemental Record on Appeal within ten (10) days of the date of this letter or this appeal may be dismissed:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, it does not list the attorneys for the respondent.
- A proof of service has not been provided showing service upon opposing counsel. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.
- It has come to this Court's attention, per the respondent, that the Record on Appeal does not contain anything from the respondent's designation of matter nor your own designation of matter. Please see Rule 210(c), SCACR.

You must include all designation of matter in a Supplemental Record on Appeal.

Very truly yours,

V. Claire Allen, Deputy

CLERK
