Appellate Case No. 2015-000426
Lower Court Case No. 2014CP4601458

Dear Mr. Collier:

This Court has received your notice of appeal, and the case has been assigned the appellate case number that appears above. Please use this number on all future correspondence relating to this matter.

All parties to this matter are advised that all filings must comply with the requirements of Rule 267 of the South Carolina Appellate Court Rules (SCACR). The SCACR are available online at www.sccourts.org/courtreg. Additionally, any filings submitted by counsel admitted in South Carolina must include counsel's bar number.

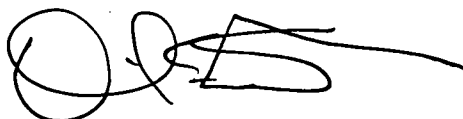

The attention of the parties is directed to the order relating to the inclusion of personal data identifiers and other sensitive information in documents filed with the Supreme Court of South Carolina and the South Carolina Court of Appeals. The order can be found at www.sccourts.org/courtOrders/HTMLFiles/2007-08-13-02.htm. Please note that the responsibility for insuring that information is redacted

or sealed as required by this order rests with counsel and the parties. This office will *not* review filings for redaction or to determine if materials should be sealed.

For this matter to proceed, you will need to provide this Court with the following with twenty (20) days of the date of this letter:

- (1) A copy of the final order issued in this matter. The public case index for York County shows that this order was filed on or about January 9, 2015;
- (2) A statement specifying the date on which you received written notice of entry of the final order;
- (3) A proof of service showing that the notice of appeal has been served on opposing counsel. This proof of service should be substantially in the format shown in the enclosed example; and
- (4) Further, if the final order determined that this action is barred as being successive and/or as being untimely under the statute of limitations, the written explanation required by Rule 243(c) of the South Carolina Appellate Court Rules. This explanation must contain sufficient facts, argument and citation to legal authority to show that there is an arguable basis for asserting that the determination by the lower court was improper. The failure to make a sufficient showing may result in the dismissal of this matter.

Very truly yours,
