Re: Deutsche Bank National Trust, v. Eugene Elmore and Gwendolyn Elmore
Appellate Case No. 2014-000696
Circuit Court Case No. 2011-CP-08-02434

Dear Ms. Kitchings:

We recently received the purported record on appeal of this matter, which Appellants filed in response to the Court's order of January 14, 2015. That order directed Appellants to file the record within ten days before the Court would consider Appellants' motion to reinstate the appeal. We write to note our objection to the record Appellants have filed, as it does not contain the vast majority of materials that our client designated for inclusion in the record. For the Court's reference, we have enclosed a copy of our Designation of Matter, which was filed and served on July 7, 2014.

For the reasons contained in our previous filings in this case, Respondent respectfully requests that the Court deny Appellants' motion to reinstate the appeal.

With kind regards, I remain

Very truly yours,

M. Todd Carroll
