Re: The State v. William Deans
Appellate Case No. 2013-00879

Dear Ms. Kitchings:

We received Appellant's document entitled Motion to Strike and Notice, in which he asks the Court to strike Respondent's briefs. Please consider this letter Respondent's return to that document.

While difficult to discern with much confidence, it appears Appellant's complaint relates to some audio recordings that were not part of the circuit court record, and are not part of the Record on Appeal. There is no basis in the Appellate Court Rules to support Appellant's motion, and it should be denied.

This Motion further demonstrates Appellant's continued focus on the court process rather than treatment. This appeal is fully briefed, after many delays, and is finally ready for the Court's consideration.

Sincerely,

Deborah R.J. Shupe
Senior Assistant Deputy Attorney General
