Attorney for Appellant

Appellant hereby moves pursuant to Rule 263(b), SCACR, for a 30-day extension of the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The deadline for service and filing of Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal is currently March 9, 2015.
2. This is the first extension that Appellant has sought in this appeal.
3. The undersigned counsel was recently ill with a very bad cold for over a week. The reduced pace of work occasioned by this has put him behind on virtually everything he has been working on, including this appeal. The undersigned has a number of other appeals pending in this court. Further, the undersigned will be out of town at a conference March 6-8.
4. Appellant's counsel believes there is good cause to grant the requested 30-day extension to April 8, 2015.

WHEREFORE Appellant prays for an Order extending the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal for thirty days.

Respectfully submitted,
