IN RE: State v. John Roosevelt Baccus
Indictment No.: 00-GS-33-4

Dear Motte:

I am writing in regards to a Death Penalty case in Marion County, which is the State v. John Roosevelt Baccus. The indictment number is 00-GS-33-04. He was arrested on November 16, 1999, charged with Burglary, First Degree, and Murder. He was noticed with the Death Penalty on November 6, 2000. The Honorable Paul M. Burch has been assigned as the trial judge in this case and the attorneys for John Baccus are Robert E. Lee and F.A. Hoefler, II, of the Florence County Bar. He was originally represented by Ms. Billie Blackmon of the Darlington County Bar before her untimely demise due to cancer.

I am writing to request that you please try to assign us a week for this Death Penalty case with Judge Burch in Marion County as soon as possible. This defendant has caused a multitude of problems at the Marion County Detention Center, which, for the sake of time, I will not delineate here, but rest assured it is a long list of problems. He has also filed grievances on his attorneys and has been most uncooperative. They have asked me to please try and have this case set for trial as soon as possible. They are ready and have been ready for quite some time, and the State is ready and has been ready for quite some time. We all traveled to Pageland and met with Judge Burch last year regarding this case to make sure that all issues were covered and that we were ready to proceed. We are just awaiting court time.

If you can give me any indication of when a special term of court might be scheduled that we can hold this Death Penalty case, I would be most appreciative, and I am sure the defense attorneys would be as well. I assume that Mr. Baccus wants to go ahead and "have his say in court", also. I understand the problems we are all dealing with, with the current budget constraints, and I appreciate any consideration you can give me in this matter.

Should you need any further information, please do not hesitate to contact me.

Respectfully yours,

E.L. Clements, III

RESPONSIBLE OFFICIAL'S DECISION AND REASON:

Your concern has been reviewed. Grievance PCI-1594-12 was unprocessed appropriately because you listed more than one issue.
