Appeal from Charleston County

Appellate Case No. 2014-002129

STATE OF SOUTH CAROLINA,

Appellant,

v.

MARVIN BROWN,

Respondent.

**MOTION TO ENLARGE TIME FOR
FILING INITIAL BRIEF OF APPELLANT AND
DESIGNATION OF MATTER**

The Appellant State of South Carolina, above-named, hereby make a third motion to this Court to extend the time for filing the Initial Brief of Appellant and Designation of Matter from **March 4, 2015** for a period of thirty (30) days up to and including **April 3, 2015**.

This Initial Brief of Appellant concerns the pre-trial suppression of the dying declaration of the decedent as a result of a shooting and may address issues related the correctness of the assessment by the trial judge in concluding whether the standard of review of the judge in the suppression hearing, issues whether there was evidence of the victim's state of mind that he was of a belief that death was imminent when the declaration was made and the effect or relevance of medical evidence on the suppression decision when the victim continued to receive treatment subsequent to the statement . The State submits that the suppression of decedent's statement is immediately appealable because it significantly impairs the prosecution of the case. State v.
