Case # 2011-CR-10-4113

S.C. Supreme Court

This is concerning the pending writ of certioraria that the SC Indigent defense (SCCID) is currently representing me on. The rec that this writ is about has in it an allegation of ineffective assistance of appellant Counsel pertaining to the SCCID when that office represented the appellant on his direct appeal in the writ of certiorari in this court and with that office of SCCID being the atty on this current writ there is a very real conflict of interest since the SCCID atty will not be able to be fair and impartial in the appellant's opinion since they will have in mind the appellant's allegation against their office while preparing the briefs on this current writ on the rec and the appellant asks the court to take notice under rule 236(c) rules of appellate court and appoint outside counsel relieving the SCCID as his counsel on this writ pending

Dear Mr. Skrouse

2-11-15

Please find enclosed an appeal I'm presenting to your Court that needs to be dealt with as quickly as possible to see if your Court will see that there is a conflict of interest between the SECID and me as that office represents me on the current writ of certiorari, so that your Court will take notice of my allegation made against the SECID and hopefully appoint me outside Counsel to ensure I get a chance to be represented by Counsel on the writ currently pending in your Court that is going to be fair and unbiased as I feel the SECID cannot be for the allegations I stated in this plea I'm making to your Court.

I also need a complete copy of the letter I sent to Justice Tol about the office of disciplinary Counsel so I'll have that paper work for my Habeas Corpus in the Federal Court showing I did everything possible at the state level in the event your Court denies my writ of certiorari.

Thank you for your time

Sincerely  
Appellant Jerry Smith

To get a shot at an attorney that will represent me fairly & impartially on the writ pending in your court is for your court to appoint outside counsel to represent me due to the conflict of interest that exist between me & the SCJD. I ask that in the event your court does agree to appoint me outside counsel it is done quickly before the SCJD atty files the first brief on my writ & also if outside counsel is appointed I ask that your court order the SCJD to turn over everything they have that pertains to my writ.

The appellant prays the court does take notice of this conflict of interest and appoint outside counsel immediately.
