Re: Ronald Ferguson v. Mill Creek, LP
Appellate Case No. 2015-000593

Dear Mr. Ferguson:

Upon reviewing your notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- The accompanying proof of service is not in compliance with the SCACR. Your proof of service should state the name of the document that you have served. The proof of service does not indicate that you have served the notice of appeal.
- The caption on the order that you are appealing does not match the caption that you have used on the notice of appeal. Please provide a copy of another order issued in the lower court showing the complete caption for this matter. If there was no other order issued, please provide a copy of the original summons and complaint that features the complete caption.

Very truly yours,
