

# The Supreme Court of South Carolina

Quintis Tyler, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2015-000069

Lower Court Case No. 2013CP4001334

---

## ORDER

---

According to the order on appeal, the sole issue in this post-conviction relief case is whether petitioner is entitled to a belated appeal from his guilty plea under *White v. State*, 263 S.C. 110, 208 S.E.2d 35 (1974). Counsel for petitioner was requested to provide the explanation required by Rule 203(d)(1)(B)(iv) of the South Carolina Appellate Court Rules for an appeal from a guilty plea, and counsel has advised that he does not have a good faith explanation to provide. *Cf. Dennison v. State*, 371 S.C. 221, 639 S.E.2d 35 (2006). Although advised by his counsel that he may submit a *pro se* explanation, petitioner has not filed a *pro se* explanation.

Accordingly, this matter is dismissed for failing to submit an adequate explanation under Rule 203(d)(1)(B)(iv), SCACR. The remittitur will be sent as provided by Rule 221(b), SCACR.

FOR THE COURT
