Re: **Jacquelin S. Bennett, et al v T. Heyward Carter, Jr., et al; Appellate
Case No. 2013-001893; Our File No. 9989**

Dear Ms. Kitchings:

I am in receipt of Ms. Allen's letter of March 9, 2015, regarding when the above-referenced case will likely be scheduled for argument. I have no specific scheduling conflicts with the dates proposed in the March 9 letter; however, due to travel issues from Greensboro, North Carolina, to Columbia, I would prefer not to have oral argument scheduled on Monday, June 1, 2015.

Please let me know if you have any questions.

Sincerely yours,

Frederick K. Sharpless
