Re: State v. Rickey Mazique, Appellate Case No.: 2012-213631

Dear Ms. Kitchings,

Enclosed please find the Brief and Reply of the Appellant. Due to the size of the Record on Appeal I will need additional time to file the Court's copies of the Record.

By this letter I am making a request for an additional thirty days in which to file the Court's copies of the Record on Appeal. If a formal motion is required please let me know. Barring any further unforeseen difficulties I hope to have the Record to the Court by the end of this week.

Sincerely,

  
J. Falkner Wilkes
