RE: Russell Jackson v. State; App. Case No.: 2014-001651  
Docket No.: 2012-CP-02-0321

**RECEIVED**

MAR 26 2015

**S.C. Supreme Court**

Dear Ms. Sigwald:

In August 2014, I contacted Cheri Young and yourself regarding the transcript in the above referenced case. I received a response from Cheri, and I received the transcript from her in December. Upon review and in preparation of the Petition for Writ of Certiorari, I discovered that she only transcribed the afternoon portion. I contacted her and she informed me that you were present for the morning portion and would have the first portion of the transcript. Therefore, I am writing you again to request the transcript from the Post Conviction Relief hearing held in Aiken County in front of the Honorable R. Ferrell Cothran, Jr., on July 11, 2013.

I wrote to you on February 2, 2015 and have not received a response. I've been informed that you reported the transcript completed in November of 2014. As of today, I have not received it.

Please respond as soon as possible.

Yours truly,
