Re: State v. Quentin Raymar Price  
Civil Action No.: 2014-CP-32-01449  
Court of Appeals Case No.: 2014-002208

Dear Ms. Howland and Ms. Gilreath:

This is written to seek clarification of whether you need me to rule on the Petition for Rehearing filed with the Clerk of Court of Common Pleas on October 17, 2014. I received a brief from both sides. If this is a motion under Rule 59, I can decide the matter on written submissions. If not, I probably need to have a hearing. However, I see that the case was appealed on October 16, 2014, so the Court of Appeals has the case. If you intend for me to rule on the petition, do I need to have the case remanded to circuit court or does it fall within the exception under Rule 205, SCACR? Thank you.

Sincerely,

  
William P. Keesley
