

# The South Carolina Court of Appeals

Heyward Cecil Dempsey, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2014-000333

---

## ORDER

---

This appeal was dismissed due to Petitioner's failure to provide a copy of the order on appeal and failure to provide proof of timely service on Respondent. Petitioner filed several documents, which this Court construes as a petition to rehear the dismissal of this appeal. Petitioner raises the question of whether he is represented by the Office of Indigent Defense. At this time, Petitioner is not represented by the Office of Indigent Defense. Within ten days of the date of this order, Petitioner shall provide this Court with a copy of the order on appeal and a proof of timely service of the notice on appeal on Respondent. This Court will act on the petition for rehearing upon receipt of the requested documents or the expiration of ten days.
