Re: The State v. Randy A. Stenhouse
Appellate Case No. 2015-000386

Dear Counsel:

Pursuant to Rule 264 of the South Carolina Appellate Court Rules, you are considered attorney of record for the appellant until an order is issued by this Court stating otherwise. This is the second letter to be sent regarding the following corrections requested in the letter sent by this Court dated February 27, 2015. Failure to comply will result in the dismissal of your appeal.

Upon reviewing your client's notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- The notice of appeal is not accompanied by a redacted copy of the order(s) and/or sentencing sheet(s) challenged on appeal.
- Since this is an appeal from a guilty plea, nolo contendere plea, or plea pursuant to Alford, Rule 203(d)(1)(B)(iv) of the South Carolina Appellate Court Rules requires "a written explanation showing that there is an issue which can be reviewed on appeal. This explanation should identify the issue(s) to be raised on appeal and the factual basis for the issue(s) including

how the issue(s) was raised below and the ruling of the lower court on that issue(s). If an issue was not raised to and ruled on by the lower court, the explanation shall include argument and citation to legal authority showing how this issue can be reviewed on appeal."

- A proof of service has not been provided showing timely service upon opposing counsel. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

Very truly yours,

V. Claire Allen, Deputy

CLERK
