MOTION FOR AN EXTENSION OF TIME TO FILE "MOTION FOR  
REHEARING"

COMES NOW THE APPELLANT, by her own representation as counsel in this case. Respectfully moves this Honorable Court of Appeals to grant an extension of time to submit a Motion for Rehearing". I am requesting an extension of time due to unforeseen circumstances Due to the recent abrupt changes in the weather my overall health is being affected. I had a real scare with my father, he had some uncontrolled bleeding and had to be taken to the emergency room for treatment on March 10, 2015. My uncle Andrew Burton passed on March 11, 2015.

I received a letter stating that my case would be on the roster for the month of February. Based on the information that I now have it was not heard until March. I had not received any other correspondence regarding the month that it would be heard. I did finally receive a letter that my appeal was decided without a hearing and that the decision was "Affirmed" I did not receive this information until after my uncle's funeral which was March 18, 2015.

I am humbly requesting that my motion granted.
