CASE NO. 2014-GS-26-2279
And 2014-GS-26-1332

State of South CarolinaRespondent

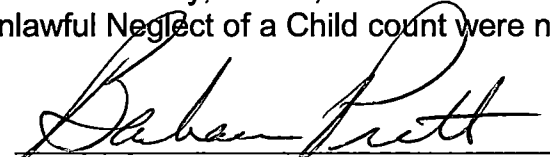

v.

Natalie Nicole Cannon.....Appellant

Statement pursuant to
Rule 203(d)(1)(B)(iv)

Trial Counsel believes that no issues of law or fact were raised before the Judge at that time that could be a basis for an Appeal in this matter. The Defendant has requested that this appeal be filed despite my opinion concerning appealable issues. She stated to me that she wishes an appeal filed because she was not informed until just before the plea that the State wished her to plead to Grand Larceny; further, she states that the facts placed on the record regarding the Unlawful Neglect of a Child count were not true and correct.
