RE: Colvin P. WASHINGTON v. THE STATE
Appellate Case No. 2011-202195

Dear,

Here's my issues I'm filing w/ the Court. I was being represented by Mr. John Duncan for trial/plea hearing. Which he was ineffective & violated many of my Constitutional Amend. rights; in order for me to have a fair trial. He failed to do a complete & thorough investigation. Failed to Squash the indictment after he was aware of the courts not having any transcript from the Grand Jury. He never went to interview any Co-D's for question about my innocent. Which they wrote numerous of statement changing their story. He hadn't did anything that I have requested & never prove that he has done anything. I had my family retain another attorney for Bond, preliminary hearing, & trial purpose. Mr. John Duncan wasn't suppose to be representing me. I later had relieve the paid attorney off the case. & at the hearing Mr Duncan shows up with no where. The Judge Micheal G. Nettles was confuse. But ordered that he Mr. Duncan continue to represent me. Also he ordered that if I retain another attorney to represent me. That this shall in no way be used as a basis for a continuance for the trial scheduled for the next month.

Mr. John Duncan coerce me into pleading instead of going to trial. He w/ held the statement of James Peoples the victim, from June 1, 2009. Which I wasn't aware of, never seen it not once. My first time seeing the statement was when the PCR attorney ask Mr. Duncan about it. I had ask Mr. Duncan to file an appeal after the trial/plea. The Judge Knox McMahon said I (which didn't know how) or my attorney should do so w/in ten days. Mr. Duncan refuse to do so. I have document to show & prove some of these issues.

Sincerely,
Colvin P. Washington
