

The Supreme Court of South Carolina

Robert Holland Koon, Petitioner,

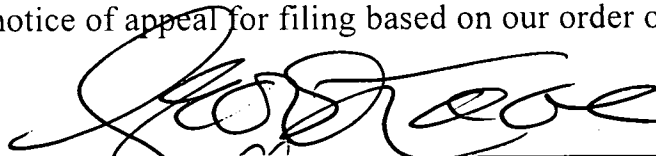

v.

State of South Carolina, Respondent

Appellate Case No. 2015-000445

ORDER

Petitioner filed a notice of appeal from an order of the circuit court refusing to accept petitioner's application for post-conviction relief for filing. The Clerk of this Court informed petitioner the notice of appeal could not be accepted for filing and no action would be taken by the Court based on this Court's order of September 2, 2014 prohibiting petitioner from filing anything in this Court in a *pro se* capacity. Petitioner has now filed an "Objection to Denial of Statutory Right to File Appeal of P.C.R./Transfer of Venue Motion." We find the Clerk of Court properly rejected petitioner's notice of appeal for filing based on our order of September 2, 2014.
