In re: State v. Tyrell Woods  
Case No. 2014-001130

Dear Clerk;

Please be advised, due to the institutional "lock-down" because of the Flu outbreak, which required quarantine restriction to inmate cells. There was absolutely no movement to and from the living quarters except for meals and medical needs.

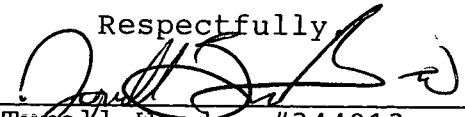

In this regard, this court forwarded me a Anders briefing schedule on the ninth of March 2015. In which I received after the twenty-third of March 2015. Accounting for approximately fourteen days elapsing prior to this inmate being aware of such schedule.

Based on the above, which is verifiable and outside of this inmates control, does he respectfully request an extension in order to comply with the briefing schedule. This compound just went back under normal operations on Tuesday, March 31, 2015.

Please advise the appellant in writing of the date anew, in the event the extension is granted. In advance, I appreciate your assistance in this matter.

Respectfully,

/s/
