Re: Mungin v. Prince Waiters
Appellate Case No. 2015-000681

Dear Counsel:

Upon reviewing your notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- Your notice of appeal indicates Lawrence Waiters is an appellant, however he is not listed in the order which you have included with the notice of appeal.
- The order from which you have appealed features an abbreviated caption. Therefore, please provide documentation of the complete caption. Such documentation may be in the form of any order issued by the trial court featuring the complete caption or, if there is no such order, a clocked copy of the original summons and complaint
- You are requested to serve and file an amended notice of appeal showing clearly the attorney representing the specific appellants and respondents in this matter. All parties are advised that service of the amended notice of appeal does not affect the timelines for the appeal.

Very truly yours,

Jonny Abbott Kitching 

CLERK
