Re: Terlizzi Home Improvement, LLC v. Michael L. Boheler, et al.
C.A. No: 2012-CP-36-00090
Appellate Case No. 2014-002540

Dear Ms Kitchings

I represent the Appellants in the matter referenced above. It is my understanding that the initial Appellants' brief and designation of matter are due on April 17th per prior order. The purpose of this letter is to request a second extension of an additional thirty (30) days for the Appellants to file and serve their initial brief and designation of matter, which would result in a new deadline of May 18th for these items. A check for the required \$25 fee for this request is enclosed and I can relate to you that I have contacted opposing counsel and there is no objection to this requested extension, which is being requested to provide for more time for the parties to explore settlement options and also in light of my family vacation from April 15-27. Please see the enclosed email exchange regarding confirmation of no objection. Please let me know as soon as possible if there is any reason this request cannot be granted.

Yours Very Truly,

ROBERT M. COOK II
