RE: Martha Lewin Argoe v. Three Rivers Behavioral Health, et al.
Appellate Case Tracking No. 2014-001511

Dear Madam Clerk:

The Record on Appeal was served by the Appellant on April 1, 2015, which means that the Respondents' final briefs are due April 21, 2015. In the process of completing the final briefs, we noticed several issues with the Record, including the misprint/omission of a document that we had designated; and in addition, other Respondents also noticed certain issues with the Record. We have reached out to the Appellant's counsel and we anticipate that he is in the process of taking the appropriate steps to correct the Record. However, in the meanwhile, we are requesting an extension to file and serve the final briefs on behalf of all Respondents.

Enclosed is a check for the \$25 00 filing fee, and by copy of this letter I am notifying Counsel for all the parties of this request.

Thank you for your cooperation and consideration of this request.

Sincerely,

Deborah H. Sheffield
