Amie.

Absolutely. That transcript is a beast. I had to get two extensions myself. I look forward to working with you.

Best,
Matt

To: <rdudek@sccd.sc.gov>, Matthew G. Gerrald <matt@basjlaw.com>

Hello,

I am representing the State in this appeal (I volunteered to take a few of the pool cases for them) I also have the co-defendant. An initial extension was given, and pursuant to that the IBOR is due this Thursday, April 23. Because of other work, I have yet to make it through this lengthy trial transcript and will be asking for a second extension in this case and in that of the co-defendant.

I am contacting you to see if you will consent to my request for a second extension to prepare the State's IBOR.

Thank you,

Amie

Re *State v Robert Antonio Guinyard* (Appellate Case No. 2014-001203)

Dear Ms Kitchings

I am writing to request a 30-day extension within which to serve and file the Initial Brief of Respondent and Designation of Matter in the above-referenced case. I have volunteered to handle this case and that of the co-defendant, Courtney Shante Thompson, for the South Carolina Attorney General's Office and have been designated a Special Assistant Attorney General for that purpose. Because of the fact that the transcript in this matter is unusually long and because of other work, I have been unable to complete this brief and that in the co-defendant's case by today's deadline. This is a second extension request in this case.

I have communicated by email with opposing counsel, Matthew G. Gerrald, and he has no objection to my request.

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me

Sincerely,

Amie L Clifford
