Appeal from York County  
Brian M. Gibbons, Circuit Court Judge

**RECEIVED**

SC Court of Appeals

THE STATE,

APPELLANT,

V.

COREY JAMAL WILLIAMS,

RESPONDENT

APPELLATE CASE NO. 2014-001886

---

PETITION IN WHICH TO FILE EXTENSION TO FILE INITIAL BRIEF OF  
RESPONDENT AND DESIGNATION OF MATTER  
OUT OF TIME

---

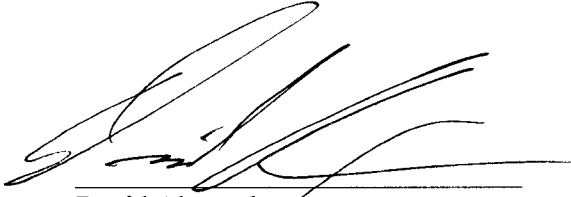

Counsel for Corey Williams respectfully petitions this Court to accept a request for extension of time to file the initial brief of respondent and designation of matter as filed out of time. In support of this petition, counsel shows:

1. The initial brief of respondent and designation of matter were due to be served and filed on April 13, 2015.
2. The affidavit of indigency necessary for Appellate Defense to accept the case was not completed in a timely manner. As a result, by the time Appellate Defense was able to accept the case and assign it to an attorney, the deadline had already expired.

3. Appellate Defense believed that trial counsel was seeking an extension from this Court, but was subsequently informed by the Court that no extension was filed.
4. Appellate Defense has now assumed representation in this case and the undersigned is representing respondent. Since the undersigned was just assigned this case, counsel respectfully requests an extension of time. Counsel apologizes to the Court for the confusion between our office and trial counsel which necessitated the filing of this motion and no further irregularities should occur.
5. Counsel makes this request in good faith and not for purposes of delay.
6. Counsel requests an extension of thirty (30) days in which to file the initial brief of respondent and designation of matter.
7. Counsel has conferred with Jennifer Ellis Roberts, who is representing the State, and she graciously consents to this motion.

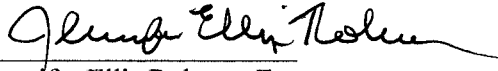

Respectfully, counsel for the initial brief of respondent and designation of matter to be accepted as filed out of time.

Respectfully submitted,

David Alexander  
Appellate Defender

I consent.

Jennifer Ellis Roberts, Esq.
