Petitioner,

Vs.

Case No.: 2014-001253

State of South Carolina,
Respondent. /

MOTION FOR EXTENSION OF TIME TO FILE PRO-SE BRIEF.

Comes now, the petitioner in the above captioned matter, to request in pro-se capacity. That this Honorable Supreme Court, for the State of South Carolina, grant him an "extension of time", do to circumstances outside of petitioners control.

On or about March 14, 2015, the Broadriver Correctional Institution, in its entirety, was locked down due to a Flu epidemic. Thus, "all inmates" were kept in their assigned cells with absolutely "no movement". Which includes for legal purposes.

The institution came back on line after about two (2) weeks of lock down. Due to this procedure, the petitioner received the Johnson Petitioner form the Appellate Defenders Office, during this time, while locked in his cell. Thus, he is respectfully requesting a extension in which to have the Pro-Se Brief filed in :

this Honorable Court, and any further relief this Court deems just and proper.

Respectfully Submitted,

/s/ Mark McCoy
