

The South Carolina Court of Appeals

Jacquelyne Hollander, Appellant,

v.

The Irrevocable Trust Established by James Brown on August 1, 2000 and Russell L. Bauknight, as Trustee of the Irrevocable Trust established by James Brown in August 1, 2000, Defendants,

Of whom Russell L. Bauknight is the Respondent.

Appellate Case No. 2013-001856

ORDER

Counsel for the appellant filed a petition for rehearing of the Court's opinion; however, on April 20, 2015, the Court sent a deficiency letter asking for the \$25.00 filing fee and a proof of service for the petition. These deficiencies have not been cured. The Court recently learned of the passing of counsel for the appellant. Accordingly, this appeal is held in abeyance for forty-five days so that the appellant may obtain new counsel and address the deficiencies listed above.
