Ms Kitchings and Ms Allen:

I am asking for an emergency continuance of the oral argument in the above case, No. 2014-183, North Pleasant, LLC v. SC Coastal Conservation League. I have the consent of opposing counsel who kindly granted it this morning, Andy Gowder.

The reason for the request is that I learned on Saturday that we have not filed our main brief with the court. When the printer first printed it, the cover was the wrong color. When it was redone with the correct color, our Reply Brief was inserted instead of the main brief. This is entirely our responsibility, but I am asking that we be given the chance to get proper copies of our main brief to the court for a full consideration of the case.

I can be reached at 843-881-1623 or my cell at 843-708-4887. Thank you for your time and your consideration.
