

The Supreme Court of South Carolina

Robert Lee Foster, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2015-000372

ORDER

Petitioner sent two letters to this Court which were construed as a notice of appeal and the explanation required by Rule 243(c), SCACR, in Case No. 2012-CP-42-2921. Because only a conditional order of dismissal has been issued in the case, and no final order, the notice of appeal was dismissed without prejudice to petitioner's right to file a notice of appeal, and a Rule 243(c) explanation, if necessary, following the issuance of a final order. Petitioner has now filed a document entitled "Response." We have construed the document as a petition for rehearing. The petition is denied.
