I AM Requesting the Honorable Court for an
extension. The institution is on lockdown.
And I can't see when we are coming off.
People are sick very sick with the flu across the
yard and other situations are going on.
I pray that this Honorable Court will grant Plaintiff
time to get into the law library and get
assistance filing into this Honorable Court.
I'm not getting it. It's hard I need help.
The guy in the law library had problems helping with
this, I pray I get it right.
