PRO SE

We, Eugene Elmore, Gwendolyn Elmore are writing this Court for clarification for the most recent correspondence that was sent to us. We must establish first of all, the fact is that we are Pro Se and is protected by the Pro Se

Litigant Act and cannot be held to the same strict standards as a licensed trained attorney, nor can we be forced to hire an attorney.

In your most recent correspondence to us you indicated, and I quote, "Although Appellants have now served and filed a Record on Appeal, the record does not include all of Respondent's Designations of Matter... Within ten days, Appellants shall serve and file a supplemental Record on Appeal, which includes all matters designated by Respondent that was omitted from the original Record on Appeal." We need clarity on what you are really asking for. Are you asking for any response that we received from the respondent, when we filed certain documents that are listed on the Record of Appeal? We will appreciate clarity, and we would like for you to take note that we will not be able to meet the ten days deadline due to the fact we are asking clarity on what is being asked of us.
