Re: Dayse, Michael v. Winston, Deborah
Appellate Case No. 2012-208726

Dear Counsel:

Our records indicate that the appellant served his initial brief and designation of matter on Joseph Mendelsohn on June 11, 2012. The Court also received a letter on July 2, 2012, indicating the date the appellant received the transcript. By our calculations, the respondent's initial brief and designation of matter were due on July 11, 2012. If you wish to file a brief on behalf of the respondent, you may file a motion to file out of time.

Very truly yours,

A handwritten signature in black ink that reads "Jenny A. Kitchings". The signature is written in a cursive, flowing style.
