**RE: William Lee Turner, Employee, Appellant, v. SAIIA
Construction, Employer, and Old Republic General
Insurance Corporation c/o Gallagher Bassett Services,
Inc., Carrier, Respondents.
Appellate Case No.: 2014-002416**

Dear Ms. Kitchings:

I am in receipt of Respondents' Counsel's Motion to Correct And/Or Amend the Record on Appeal and we have reviewed and totally agree and will be amending the Record. In that regard, I would appreciate the advice of the Court to make sure I am following the proper procedure to correct and file the Record. What I would propose and what I believe is the correct procedure, is we have made copies of the missing pages, numbered those with letters (20A, etc.) so they can be inserted where the missing pages occur in the Record. We will pick up all of the copies from the Court and take them to the Printer for inclusion of the missing pages and then we will refile those with the Court. If that is appropriate, please let me know or if not I would appreciate the advice and counsel of the Court as to how to proceed to correct the Record and get it filed as soon as possible. While not relevant, what we believe happened is that our copier pulled through multiple pages on several occasions resulting in the missing pages. Due to this we, and I would ask Ms. Hiser, to look back through to make sure nothing else is missing.

By copy of this letter, I am notifying Helen Hiser of this communication and request for direction from the Court so that we may get this situation corrected.

Sincerely yours,

Preston F. McDaniel
