Re: Windswept Villas III Horizontal property Regime vs. Elaine Devlin Peery  
Appellant Case No.: 2014-002242

Dear Ms. Kitchings:

I represent the Appellant, Elaine Devlin Peery in the above referenced matter. The Appellant mailed the Record on Appeal to the Respondent and Appellant Court on April 23, 2015. On April 28, 2015, my office received a telephone call from Respondent's office indicating that there were some problems with the Record on Appeal as submitted. My office likewise advised the Respondent that there was a transcript missing dated January 13, 2014. Additionally, page ten (10) of the Respondent's Initial Brief fails to indicate which page and lines of the transcript she is referring to in the January 13, 2014 transcript. She references the transcript in multiple places on page ten (10) and on page eighteen (18) of her Initial Brief, without identifying the pages on the absent transcript. My office ultimately received the January 13, 2014 transcript on April 29, 2015.

The Appellant is now in the process of determining and correcting the alleged errors brought to the Appellant's attention by the Respondent. Once we make the corrections it will require us to amend the entire Record on Appeal as well as the absent transcript dated January 13, 2014.

The Appellant is respectfully requesting a twenty (20) day extension until May 20, 2015 to submit the Appellant's Amended Record on Appeal, which represents twenty (20) days from the date our office received the absent transcript. Further, the Appellant respectfully requests that it be granted the same time extension given to the Respondent to submit our Final Brief.

Thanking you in advance for your assistance in this matter.

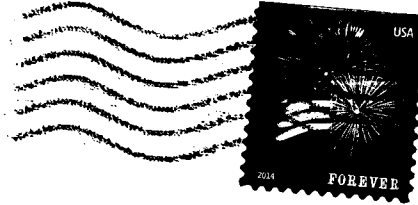

Very truly yours,

Vernee C. Hancock
