Re: The State v. Richard Allen Woodbury
Appellate Case No. 2014-000390

The Initial Brief of the Respondent and Designation of Matter in the above appeal are due to be served and filed May 4, 2015. However, due to a heavy workload, I am requesting a 30-day extension. This is a second extension request in this case, and it is not intended for the purpose of delay. By copy of this email, I am advising counsel for the Appellant, Lara M. Caudy, Esquire, of this extension request.
