

The South Carolina Court of Appeals

The State, Respondent,

v.

Donald Earl Eaddy, II, Appellant.

Appellate Case No. 2015-000168

ORDER

Appellant has filed a letter requesting the appointment of counsel. The constitutional right to assistance of counsel extends only to the first right of appeal. *See State v. Clinkscales*, 318 S.C. 513, 458 S.E.2d 548 (1995). Here, the post-trial motion "was not heard and determined at a critical stage" of the criminal prosecution. *See id.* Accordingly, the request for the appointment of counsel is denied.

Appellant's request for a thirty-day extension of time to order the transcript is granted. Appellant shall provide proof the transcript has been ordered and satisfactory arrangements have been made for the payment of the transcript within thirty days of the date of this order.
