Q All right. Go ahead and just sort of
8 walk me through the day that you had the cat bite
9 from the time you got to the SPCA until you got
10 the cat off of you.

11

12

A I got there. They assigned me to a
12 person that actually worked at the SPCA and --

13

Q Who was that?

14

A I'm not sure.

15

Q Okay.

16

17

18

19

A Then I believe we cleaned out a few dogs'
17 cages, and then she went to go do something
18 different. She told me to clean out the intake
19 animals' cages.

20

Q What does that mean?

21

22

23

A The animals that were just brought in or
22 the animals that were on quarantine. And I
23 finished cleaning all the other animals' cages.

24

25

And there's this one cat. He was on the
25 bottom cage. So I opened up the door, and I was

1 about to just start cleaning it out, and he walked
2 out around the room. I figured, you know, I would
3 just let him walk around. He had to be cooped up
4 in a cage all day.

5 So I finished cleaning the cage, and I
6 went to go pick the cat up, and the cat wrapped
7 around my hand. His tooth went right there.

8 (Indicating) His claws went around there.
